

The **Professional Development Alternatives (PDA) Modules** are online professional learning opportunities designed for Florida educators seeking to improve their skills in responding to the needs of all students. Coordinated through the Florida Diagnostic Learning Resource Systems (FDLRS) Network, the PDA program is available *free of charge to educators*. These modules meet the requirements of CS/SB 1108 regarding required recertification points that address instruction of students with disabilities.

Upcoming facilitated modules offered through FDLRS Gulfcoast:
